

Our menu options have changed!

Restaurant como is moving to a new menu structure, offering a choice of exciting options.

We hope you love it as much as we've enjoyed creating it!

Chef's Table is an exquisite collection of Grant's finest dishes and seasonal between-course treats.

Chef's Table may also be enjoyed with wines that have been carefully selected to match each course.

Brief Menu has many of the same dishes but to suit the smaller appetite.

The Brief Menu also has a matched wines option.

Grant and Rachel are always happy to help you choose additional or alternative wines from the extensive cellar list.

We are also able to accommodate most food allergies or other dietary restrictions, but please advise of these needs as soon as possible, preferably when booking.
